Green Landscaping completes the acquisition of HD Landscape's ground maintenance

Green Landscaping Group AB (publ) has today completed the previously announced acquisition of HD Landscape ground maintenance operation in Skåne. The transfer is paid in full with cash funding.

The acquired business consists mainly of maintenance and service work for municipalities, non-profit housing companies and tenant-owner associations in Helsingborg, Malmö and Vellinge. The deal includes customer contracts, staff and machinery.

- With the completion of the acquisition, we have an even better opportunity to provide quality outdoor environment services to our customers in southern and western Skåne. We are now starting the work on deepening relationships with our new customers while ensuring that deliveries continue at least at the same level as before. We want to take the opportunity to welcome all new customers and employees, says Daniel Linderståhl, Head of Region South
